

We passed the test.

Barton House
Memory Care

House • Home • Hospitality
Established 2000

At Barton House Memory Care Personal Care, we limited visitors before limited visitation was mandated; we quarantined before quarantines were required; we deep cleaned before deep cleaning was recommended. Now, we celebrate the successful completion of testing residents and staff for the coronavirus.

With new ways to communicate, new activities and new clinical operations, Barton House Memory Care Personal Care celebrates a future of safe and secure residents, healthy lifestyles and connected community.
